

CENTRE FOR EARTH SCIENCE STUDIES

LIST OF RESEARCH PAPERS

POST BOX NO. 7250, THIRUVANANTHAPURAM, INDIA

Phone: +91-471-442451, FAX: +91-471-442280

E-mail: cess@hub.nic.in

LIST OF RESEARCH PAPERS

AHALYA SUKUMAR & RAJU, K.(1987).

Impact of urbanization and environmental problems of Trivandrum City.
Northern Geographer , 2(2): 35-38.

AHALYA SUKUMAR(1998).

Work participation of rural women in Kerala.

Proceedings of the XIX Indian Geography Congress, Thiruvananthapuram : 113-115.

AHALYA SUKUMAR; SUKUMAR, B. ; RAJU, K. & ARUNACHALAM, B. (1998).

Urban density mapping in a GIS environment- a case study of Thiruvananthapuram,Kerala.

Indian Cartographer, 17 :49-53.

AHALYA SUKUMAR ; SUKUMAR, B. ; RAJU, K. & ARUNACHALAM, B. (1999).

16th Century Portuguese maps of Kerala.

Indian Cartographer , 18 :17-18.

AJAYAKUMAR VARMA, R.(1989).

Application of generalized reciprocal method for seismic refraction interpretation – A case study from Nilambur Valley, Kerala.

JL. of Association of Exploration Geophysicists, 10(2)

AJAYAKUMAR VARMA, R. & RAMACHANDRAN, K. K.(1993).

Ground water Environment of typical coral attoll.

Proceedings of the Indian Science Congress Association (Geosciences) :14

AJAYAKUMAR VARMA, R. & RAMACHANDRAN, K. K.(1995).

Groundwater Resource Potential of Union Territory of Lakshadweep, India.

Indian Journal of Earth Sciences, 22(4) : 169-170.

AJAYAKUMAR VARMA, R. & RAMACHANDRAN, K. K.(1996).

Resistivity survey for describing the fresh water lenses of Agatti Attol, Lakshadweep, India

JL. of Association of Exploration Geophysicists, XVII(1): 11-16.

AJITH G. NAIR ; DAMODARAN, K.T. & SURESH BABU, D.S. (1995).

Mineralo-chemical analysis of ilmenites from the river Valliyar and the Manavalakurichy beach, Tamil Nadu.

JL. of Geological Society of India, 46 : 655-661.

AJITHKUMAR, S. ; RADHI D. MENON ; SANTOSH, M. & VIVEKANANDAN, K. L.(1995).

The gemstone bearing pegmatite of Mundakkal, Southern Kerala,

Proceedings of VII Kerala Science Congress : 31-33.

AJITHKUMAR, S. & SANTOSH, M.(1996).

The pyroxene granulites of Kunnanpara,Trivandrum Block, southern India. In: M. Santosh and Yoshida(Eds.)

The Archean and Proterozoic Terrains of southern India within East Gondwana.

Gondwana Res. Group Memoir 3, Field Science Publishers, Osaka : 327-332.

AJITHKUMAR, S. & SANTOSH, M.(1996).

Magmatic origin and metamorphic evolution of the pyroxene granulites of the Trivandrum block, southern India.

Proceedings of IGCP-368 International Field workshop on Proterozoic continental crust of southern

India, Gondwana Research Group Misc. Publications,No.4,Field Science Publications, Osaka :80.

AJITHKUMAR, S. & SANTOSH, M.(1996).

The massive charnockite at Eripara, Trivandrum Block, southern India.

Proceedings of IGCP-368 International Field Workshop on Proterozoic continental crust of southern India,

Gondwana Res.Group Misc. Publications,No.4,Field Science Publications, Osaka :80.

ANILKUMAR, R & SRIKUMAR CHATTOPADHAY (1995).

Landscape ecological zonation: A study in Karamana river basin, Kerala.

Proceedings of VII Kerala Science Congress : 121-121.

ANILKUMAR, N. C. ; BIJUMON, K.B. ; SATHEESHKUMAR, C. S. & OUSEPH, P.P.(1997).

Water quality and microbial population of the Kavaratti Lagoon, Lakshadweep sea.

Proceedings of the IX Kerala Science Congress, Trivandrum :401-402.

ANILKUMAR, N. C. ; BIJUMON, K.B. ; JEENI, B. & OUSEPH, P.P.(1997).

Ecology of Lakshadweep sea: A case study of Androth island,

Proceedings of X Kerala science Congress : 394-395.

- ANITHA, G. K. ; SANTOSH, M. & V. S. BAHIR (1996).**
Heavy mineral deposits in India and their correlation with East Gondwana. In: M. santosh and M. Yoshida(Eds.)
The Archean and Proterozoic Terrains of southern India within East Gondwana.
Gondwana Res. Group Memoir 3, Field Science Publishers, Osaka :81-82.
- ANITHASHYAM ; BIJU JOHN ; RAMACHANDRAN, K.K. & THAMPI, P.K.(1995).**
Texture and mineralogy of Kuzhithurai and Valliyar river sediments, Kanyakumari District
Proceedings of VII Kerala Science Congress : 271-275.
- ASHA, G.(2000).**
Transport facilities in Idukki district: 1981-998- a profile.
Proceedings of the XII Kerala Science Congress (Ed.M.R. Das),STEC, Thiruvananthapuram : 833-835.
- BABA, M.(1980).**
Coastal engineering in U.S.S.R- A review.
JL. Institution of Engineers (India), 51: 108 – 203.
- BABA, M.(1984).**
Impact of coastal harbour structures on the coastal environment of Kerala.
Proceedings: Seminar on status of Environmental Studies in India- 1981, CESS, Trivandrum : 65 – 72.
- BABA, M.(1984).**
Irregular wave transmission over a submerged breakwater.
Indian Academy of Sciences- Proceedings (Engg. Sc.), 7:351 – 368.
- BABA, M.(1984).**
Equivalent, regular wave, and some coastal engineering applications.
JL Institution of Engineers (India), 64 (5): 288 – 295.
- BABA, M.(1985).**
Long term wave monitoring along the Kerala Coast – some results.
Proceedings of the I National Conference on Dock and Harbour Engineering, Bombay : E49-67.
- BABA, M.(1985).**
Design of submerged breakwater for coastal protection and estimation of wave transmission coefficient.
Proceedings of the I National Conference on Dock and Harbour Engineering, Bombay : B13-26.
- BABA, M.(1985).**
New trends in ocean – wave research in India.
Mahasagar, Bulletin- N.I.O, Goa, 18(2): 231 – 248.
- BABA, M.(1985).**
Study of horizontal bottom velocities and production of sediment transport behind a submerged breakwater.
Indian Journal of Marine Sciences, 14 (Sept.): 117 – 122.
- BABA, M. & HARISH, C. M.(1985).**
Wave height and period off the South - West coast of India.
Indian Journal of Marine Sciences, 14 (March): 1 – 8.
- BABA, M.(1986).**
Computation of wave transmission over a shore protecting submerged breakwater.
Ocean Engineering, 13 (3): 227 – 237.
- BABA, M.(1986).**
Coastal Erosion- a management problem.
Proceedings of III Indian Conference on Ocean Engineering, Bombay, 2 : 11-114.
- BABA, M. & HARISH, C. M.(1986).**
Wave energy spectra for South-west coast of India.
Indian Journal of Marine Science, 15 :144-152.
- BABA, M. ; HARISH, C.M. & KURIAN, N.P.(1986).**
Influence of record length and sampling interval on ocean wave spectral estimates.
Mahasagar, 19: 79 – 85.
- BABA, M. & SHAHUL HAMEED(1986).**
A spectral form for shoaling waves.
Proceedings of III Indian Conference on Ocean Engineering, Bombay, 1 : A1-A6.
- BABA, M. & SHAHUL HAMEED(1986).**
Discussion on Mathematical prediction of long-term shoreline changes at Vishakapattanam.
Journal of Institute of Engineers.(India), Civil Engineering Division,67 :68.
- BABA, M.(1987).**
Wave power potential of the south west Indian coast.

Energy,12(6) :501-507.

BABA, M. ; KURIAN, N.P. ; THOMAS, K.V. ; SHAHUL HAMEED, T. S. & HARISH, C.M.(1987).
Monitoring of coastal environment for its management.
Coastal Zone- 1987: 4764 – 4777.

BABA, M. ; KURIAN, N.P. ; THOMAS, K.V. ; SHAHUL HAMEED, T. S. & HARISH, C.M.(1987).
Temporal and spatial variations in wave climate off Kerala, South-west coast of India.
Indian Journal of Marine Science, 16 :5-8.

BABA, M. & THOMAS, K.V.(1987).
Performance of a sea wall with a frontal beach.
Coastal Sediments –1987.

BABA, M.(1988).
Ocean wave research in India. In: Ocean waves and beach processes (Ed. M. Baba & N. P. Kurian).
CESS, Trivandrum : 1-14.

BABA, M.(1988).
Wave characteristics and beach processes of the south - west coast of India - a summary. In: Ocean waves and beach processes (Ed. Baba and N.P Kurian).
CESS, Trivandrum : 225 – 240.

BABA, M.(1988).
Wave power potential of Lakshadweep and Andaman and Nicobar Islands.
Indian Journal of Marine Sciences ,17(4) : 330- 332.

BABA, M. ; & JOSEPH, P. S.(1988).
Deep water wave climate at Cochin and Trivandrum. In: Ocean waves and beach processes (Ed. M. Baba and N.P Kurian).
CESS, Trivandrum : 129-140.

BABA, M. ; KURIAN, N.P.(1988).
Instrumentation and analysis for wave and beach studies. In: Ocean and beach processes (Ed. M. Baba and N.P.Kurian).
CESS, Trivandrum : 15-46.

BABA, M. ; SHAHUL HAMEED, T. S. ; & HARISH, C.M.(1988).
Shallow water wave spectral and probabilistic characteristics. In: Ocean waves and beach processes (Ed. M. Baba and N.P Kurian).
CESS, Trivandrum: 205-224.

BABA, M. ; SHAHUL HAMEED, T. S. ; & THOMAS, K.V.(1988).
Prediction of sediment transport and beach evolution. In: Ocean waves and beach processes (Ed. M. Baba and N.P Kurian).
CESS, Trivandrum :205-224.

BABA, M.(1989).
Non-conventional marine energy sources (invited paper).
Offshore and Marine India -89,Bombay : 1-25.

BABA, M.(1989).
Wave power potential of India with special reference to islands .In: Ocean wave studies and applications (Ed. M. Baba & Shahul Hameed).
CESS, Trivandrum:139-147

BABA, M. ; DATTARI, J. & ABRAHAM, S.(1989).
Ocean wave spectra of Cochin.
Indian Journal of marine Sciences ,18: 106-112.

BABA, M. & JOSEPH MATHEW.(1989).
Ocean wave energy along Kerala coast.
Urja , 25: 60-64.

BABA, M.(1990).
Simple oceanographic instrumentation for developing countries.
IAPSO publication, 34: 89 – 93.

BABA, M. & KURIAN, N.P.(1990).
Wave spectral transformation in shoaling waters.
Proceedings of International Symposium on the Coastal zone, China Ocean Press, Beijing : 205-215.

BABA, M.(1991).
Ocean wave energy. In: power directory (Ed. Moraes)
Astra Publishers Pvt. Ltd., Bombay: 134-140.

BABA, M. ; SAMSUDDIN, M. & THOMAS, K. V.(1993).
Coastal erosion and sustainable management. In: Sustainable Management of Coastal Ecosystems (Eds:M.S Swaminathan & R.Ramesh),Madras, 53-70.

- BABA, M. ; JOSEPH MATHEW & KURIAN, N.P.(1994).**
Kerala mud bank- aware and current induced phenomenon.
Proceedings of Indian National Conference on Harbour and Ocean Engineering, 1 : D21- D30.
- BABA, M. ; SHAHUL HAMEED, T. S. & KURIAN, N.P.(1994).**
Wave power of Lakshadweep islands.
Proceedings of Indian National Conference on Harbour and Ocean Engineering, 1 : A53-A62.
- BABA, M. (1995).**
Marine resources Development – a Kerala Perspective. In: Science and Technology for Development (Ed. P.K.Iyengar).
STEC, Trivandrum : 273- 288.
- BABA, M.(1995).**
Coastal Zone Management In: Contribution to Environmental Sciences.
Sudha Publishers, Nagercoil :273-288.
- BABA, M. ; THOMAS, K.V. & SREEKALA S. PANICKER(1997).**
Alternative coastal engineering strategies of Kerala.
Proceedings of the II Indian National Conference on Harbour & Ocean Engineering,
Thiruvananthapuram : 1205-1215.
- BABA, M. & KURIAN, N.P. (1998).**
Remote Sensing for Coastal and ocean management.
Proceedings of Remote Sensing Applications for Kerala, Thiruvananthapuram : 22-25.
- BABU, D.S.S. ; NANDAKUMAR, V. & PADMALAL, D.(2000).**
Analysis of land, soil and water in the Neyyar Wild Life Sanctuary, South Kerala.
Proceedings of the XII Kerala Science Congress (Ed.M.R. Das),STEC, Thiruvananthapuram : 57-62.
- BABU, K. ; NAYAR, V.U. & RAJU, G. K.(1994).**
Natural Radioactivity Measurements in Tapioca.
Proceedings of VI Kerala Science Congress, 1994 January, Trivandrum, 06-11 : 314-315.
- BABU, K. ; NAYAR, V.U. & RAJU, G. K.(1994).**
Studies on Radioactive Contamination in Tapioca in Southern Kerala.
Proceedings of III National Symposium on Environment, Trivandrum, March 1994 : 72-74.
- BABU, K.N. ; ANSOM SEBASTIAN ; SANTOSH, M. ; UNNIKRIISHNAN, P.A. & PILLAI, P. M.(1994).**
Volatile constituents in some Indian Beryls : A Fourier transform infrared Spectroscopic study.
Bulletin of Indian Geological Association, 27: 45-53.
- BABU, K. N. ; SANTOSH, M. & ANSOM SEBASTIAN(1994).**
Electron microscope and Fourier transform infrared spectroscopic study of beryl crystals, Attappadi valley, north Kerala.
Proceedings of VI Kerala Science Congress, Thiruvananthapuram :316-317.
- BADARUDEEN, A. ; DAMODARAN, K.T. ; SAJAN, K. & PADMALAL, D.(1996).**
Texture and Geochemistry of the sediments of a tropical mangrove ecosystem, southwest coast of India.
Environmental Geology, 27 :164-169.
- BADARUDEEN, A. ; MAYA, K. & SAJAN, K. (1997).**
Sediment, organic carbon, trace metal distributions in the mangrove environment at Veli, Kerala.
Proceedings of the IX Science Congress, Trivandrum :85-87.
- BADARUDEEN, A. ; PADMALAL, D. & SAJAN, K.(1998).**
Organic carbon and total phosphorous in the sediments of some selected Mangrove ecosystem of Kerala, southwest coast of India.
JL. Geological Society of India, 51: 679-684.
- BADARUDEEN, A. ; PADMALAL, D. & SAJAN, K.(1998).**
Hydrodynamic response on Mangrove ecosystems of Kannur region, Southwest coast of India.
JL. of Marine Science, 27 : 262-265.
- BARLETT, J.M. ; HARRIS, N.B.W. ;HAWKESWORTH, C. J. & SANTOSH, M.(1995).**
New isotope constraints on the crustal evolution of South India and Pan-African Granulite metamorphism.
Geological Society of India Memoir, 34 : 391- 398.
- BARLETT, J.M. ; HARRIS, N.B.W. ;HAWKESWORTH, C. J. & SANTOSH, M.(1995).**
Tectonic and thermal evolution of South India during the pan- African orogeny.
Minerological Magazine, 58A : 55-56.
- BARLETT, J.M. ; J.S. DOUGHERTY-PAGE ; HARRIS, N.B.W. ; HAWKESWORTH, C. J. & SANTOSH, M.(1998).**

The application of single zircon evaporation and model Nd ages to the interpretation of polymetamorphic terrains: an example from Proterozoic mobile belt of south India. *Contribution to Mineralogy and Petrology*, 131 :181-195.

BLJUMON, K. B. ; ANIL KUMAR, N. C. ; RAMALINGOM PILLAI, A. & OUSEPH, P.P. (1997).
Distribution and composition of plankton along south west coast of India. *Proceedings of the IX Science Congress, Trivandrum* : 402.

BLJUMON, K.B. ; MADHUSOODHANAN PILLAI, G. & OUSEPH, P.P.(1998).
Environmental degradation of marine ecosystem at Veli due to the discharge of TTP effluents along the south west coast of India. *Proceedings of X Kerala Science Congress* : 384-386.

BLJUMON, K.B. ; MADHUSOODHANAN PILLAI, G. ; ANIL KUMAR, N.C. & OUSEPH, P.P.(1999).
Primary production, chlorophylla, and related hydrography of Lakshadweep sea. *Proceedings of the XI Kerala Science Congress* : 315-318.

BLJUMON, K.B. ; ROBIN, R.S. ; SUNIL KUMAR, S. & OUSEPH, P.P.(2000).
Effect of a factory effluent on the biological productivity of coastal marine system in Veli, Thiruvananthapuram. *Proceedings of the XII Kerala Science Congress (Ed.M.R. Das),STEC, Thiruvananthapuram* : 592-594.

BLJU SEKHAR, S. ; SANTOSH, M. & YOSHIDA, M.(1998).
Proterozoic anorthosites in the India-Madagascar sector:implications for East Gondwanaland assembly.In: *Proceedings of International Seminar on Precambrian Crust in Eastern & Central India, Bhubaneswar, India* : 68-71.

BLJU SEKHAR, S. ; YOSHIDA, M. ; PANDIT, M.K. & SANTOSH, M.(1999).
Geochemical and geochronological characterization of granitoids of the North Delhi fold belt: implication for the tectonic evolution of East Gondwana. *Gondwana Research*, 2 :672-673.

BINDU, R. S. ; SUZUKI ; YOSHIDA, M. & SANTOSH, M. (1996).
Chemical Th-U total Pb isochron ages from the southern Indian granulites.In:M. Santosh and M. Yoshida (Eds.)*The Archean and Proterozoic Terrains of southern India within East Gondwana. Gondwana Res. Group Memoir 3, Field Science Publishers, Osaka* : 83-84.

BINDU, R. S. ; SUZUKI ; YOSHIDA, M. & SANTOSH, M. (1998).
The first report of CHIME monazite age from the south Indian granulite terrain. *Current Science* , 74 :852-858.

BINDU, R. S. ; YOSHIDA, M. & SANTOSH, M. (1998).
Electron microprobe dating of monazite from chittikara granulite, South India: evidence for polymetamorphic events. *JL. of Geoscience, Osaka City University*, 41 :77-83.

BINDU, R. S. ; YOSHIDA, M & SANTOSH, M. (1998).
Multiple metamorphism in Eastern Ghat Granulite Belt: evidence from electron microprobe monazite ages. *Proceedings of International Seminar on Precambrian Crust in Eastern & Central India, Bhubaneswar, India* : 123-125.

BINU LAL, S. S. ; SANTOSH, M. & YOSHIDA, M.(1998).
Shear zone hosted Proterozoic vein gold mineralization in the Wynad Gold Field. In: *Proceedings of International Seminar on Precambrian Crust in Eastern & Central India, Bhubaneswar, India* : 179-181.

BINU LAL, S. S. ; WADA,H. & SANTOSH, M.(1999).
Genesis of shear zone hosted primary gold mineralisation in Wyanad Gold Field, South India. *Gondwana Research*, 2 : 671-672.

BRAUN, I. ; RAITH, M. & RAVINDRA KUMAR, G.R.(1996).
Dehydration melting phenomena in leptynitic gneisses and the generation of leucogranites: a case study from the Kerala Khondalite belt, southern India. *Journal of Petrology*,37 : 1285-1305.

BRAUN, I. ; RAITH, M. & RAVINDRA KUMAR, G.R.(1996).
Dehydration melting phenomena in leptynitic gneisses and the generation of leucogranites at granulite facies condition. *Proceedings of the IGCP 368 International Field Workshop on Proterozoic continental crust of southern India, August, 1996.Gondwana Research Group Misc. Publications No. 4* :85.

CHACKO,T. ; RAVINDRAKUMAR,G.R. ; & NEWTON,R.C.(1987).
Metamorphic P T conditions of the Kerala (South India) khondalite belt, a granulite facies supra-crustal. *Journal of Geology*, 95 :343-358.

CHACKO,T.(1988).

Petrology and tectonic development of Supra-crustal sequence of Kerala khondalite belt, Southern India.

JL.Geological Society of India,31: 123-124.

CHACKO,T. ; RAVINDRAKUMAR,G.R. ; & PETERSON, J.W.(1988).

Water activities in the Kerala khondalite belt.

Geological society of India ,31 :16-17.

CHACKO,T. ; RAVINDRAKUMAR,G.R. ; MEEN, J. K & ROGERS, J. J. W.(1992).

Geochemistry of the high – grade supracrustal rocks from the Kerala khondalite belt, south India .
Precambrian Research, 55 : 469-490.

CHANDRAN, R.R. ; MENON, R. D. ; RADHIKA, U.P. ; SANTOSH, M. & YOSHIDA, M. (1996).

Proterozoic mineralization in southern Kerala: summary characteristics and genesis.

Proceedings of the IGCP 368 International Field workshop on Proterozoic Continental Crust of Southern India, August, 1996.

Gondwana Research Group Misc. Publications No. 4 :117-144.

CHANDRAKARAN, S. ; THAMPI P.K. ; JOHN MATHAI & SANKAR, G. (1997).

Physical properties of soils from landslide prone areas of Idukki and Kottayam,

Proceedings of Indian Geological Congress : 537- 540.

CHATTOPADHYAY, S. & BAGCHI, K.(1979).

An analytical study of the transport system of the Sunderban region.

Geographical Review of India, 41: 71 – 82.

CHATTOPADHYAY, S.(1980).

Hydrology and landuse in the littoral tract of deltaic West Bengal.

Geographical Review of India, 42 : 177 -180.

CHATTOPADHYAY, S.(1982).

Regional variations of priority sectors for economic development in Kerala.

Geogr. Rev. Ind., 44: 50 – 56.

CHATTOPADHYAY, S.(1984).

Environmental impact on agricultural land use in the Sunderbans, West Bengal –A case study.

Proceedings Seminar on the Status of Environmental Studies in India - 1981, CESS, Trivandrum: 113 –118.

CHATTOPADHYAY, S.(1984).

Land use system in littoral tract of deltaic West Bengal – A case study.Mukhopadhyay S.C.(Ed.)

Geog. Mosaic. Proc., K.G. Bagchi felicitation volume: 211-233.

CHATTOPADHYAY, S. & BAGCHI, K.(1984).

Changing character of landuse in the littoral tract of deltaic ,West Bengal – a case study.

Nat. Geogr. Jl. of Ind., 30:153 – 164.

CHATTOPADHYAY, S. & BISWAS, A.(1984).

“L utilization de ‘L’ energic dans less regions rurales de l Inde”.

Les Cashier’s d’ outre Mer France, 135(34): 273 – 298

CHATTOPADHYAY, S. & JAYAPRASAD, K.(1984).

Environmental studies in parts of Cannannore district, Kerala, India and assessment for its capacity for development- A methodological approach.

Geograficky Casopis, 37: 187–210.

CHATTOPADHYAY, S.(1985).

Deforestation in parts of Western Ghats Region, Kerala, India.

Journal of Environmental Management, 20: 219 – 230.

CHATTOPADHYAY, S. & SALIM, M.B.(1985).

Morphological classification of land and assessment of its suitability for various uses – A case study of Bavalipuzha – Aralampuzha drainage basin.

Institute of Indian Geographers, 27: 105 – 112.

CHATTOPADHYAY, S. & SIDHARTHAN, S.(1985).

Physical environment impact on settlement characters in the Greater Kuttanad region, Kerala, India.

Mukherji, A.B & Aijazuddin, Ahmed, Eds.; Culture, society and economic geographic essays: 27 – 44.

CHATTOPADHYAY, S. ; SALIM, M.B. & SANKAR, G.(1986).

Integrated environmental assessment for eco-development: a case study of Bhalipuzha – Aralampuzha drainage basin in Kerala.

Proceedings of the seminar on Eco-development of Western Ghats : 266-275.

CHATTOPADHYAY, S. ; VELAYUTHAM, S. & GOWRI, K.(1986).

Impact of landscape system on landuse in Mangalam- Gayathripuzha drainage basin in Kerala.

Proceedings of the seminar on Eco-development of Western Ghats : 157-162.

CHATTOPADHYAY, S. ; VELAYUTHAM, S. & SALIM, M.B. (1986).

Trends of deforestation in Kerala, In: India's Environment Problems and Perspectives(Ed.B.P. Radhakrishna and K.K. Ramachandran).
Geological society of India, Memoir, 5: 289-298.

CHATTOPADHYAY, S.(1987).

Some consideration for Geographical research on inequality in India.
Geographical Review of India, 31 : 58-63.

CHATTOPADHYAY, S.(1987).

Land classification, an ecological approach example from Kerala. In: H. Richer and G. Schon Field (Eds.) Landscape synthesis-foundations classification and management, part .2, Martin - Luther University.
Halls Wittenberg, German Democratic Republic 1986, 87-101.

CHATTOPADHYAY, S. (1988).

Urbanisation in Kerala.
Geographical review of India, 50: No.2.

CHATTOPADHYAY, S. ; SOMAN, K. ; OUSEPH, P.P. & SAKUNTHALA, C.(1996).

Application of GIS in riverine pollution monitoring- A case study on Killi Ar basin, south Kerala.
Indian Cartographer, 16 : 221-225.

CHATTOPADHYAY, S. (1996).

Environmental impact on urbanization: A case of Kerala, India.
Transaction, Institute of Indian Geographers, 12(1) :15-27.

CHATTOPADHYAY, S. (1996).

Coastal Zone Management: A methodological approach with examples from Kerala. Maharashtra. Academy of Engineers, Pune,
MAEER's Pune Journal, 4(15&16) :18-22.

CHATTOPADHYAY, S. ; & SASIDHARAN, C. K.(1996).

Changing pattern of agricultural land use in Kerala. A case study in environmental perspective. In: R. B. Singh(Ed.)
Disasters, Environment and Development, 479-484.

CHATTOPADHYAY, S. ; JOHN MATHAI ; VARMA, A.K. ; SUKUMAR, B. ; SANKAR, G.; MACHADO, T.; SHRAVANKUMAR, V. ; SAMAD, A. ; EDISON, S. ; NARAYANAN, N.C. ; GANGADHARAN, T. & SINHA, S.(1996).

Micro/village level resource survey with people's participation for sustainable development. In: R.B. Singh(Ed.)
Research in Geography-Land use and Sustainable Development, 1 :47-78.

CHATTOPADHYAY, S. (1997).

Designing a sustainable land use pattern - A theoretical exercise with examples from Kerala.
Geographical Review of India, 59 : 121-131.

CHATTOPADHYAY, S. (1997).

Environment- development interface in Kerala-A research agenda.
In: Souvenir, XIX Indian Geographical Congress, CESS, Thiruvananthapuram :22-23.

CHATTOPADHYAY, S. & MAHAMAYA CHATTOPADHYAY(1997).

Sustainable land management in Kerala, India-A bio-physical approach.
Proceedings of Geo-Information for sustainable land management(SLM), (Eds.)K.J.Beek, K.D.Bie & P. Driessen, Enschede, ITC Journal, 1977-3/4 : 165-174.

Proceedings of VII Kerala Science Congress : 266-269.

SURESH BABU, D.S. ; PADMALAL, D. & SANTOSH, M.(1995).

Trace Metal contents of Iron Sulphide minerals from the tertiary carbonaceous clays of Kerala.

JL. Geological Society of India, 46 : 263-268.

SURESH BABU, D.S. DAS, D. ; SUNDARESAN, M. ; REDDY, V.R. ; CHINTALAPUDI, S.N. & MAJUMDAR, C.K.(1996).

⁵⁷Fe Mossbauer studies on natural ilmenites.

Indian Journal of Pure & Applied Physics, 34 : 161-172.

SURESH BABU, D.S.(1999).

Understanding of physical environment for forest conservation.

Aranyam, 14(2) : 11-14.

SURESH BABU, D.S. ; JAYAPRASAD, B.K. & RAJEEV, V.S.(1999).

A Terrain Evaluation of study using GIS from Neyyar Wildlife Sanctuary, South India.

Photonirvachak, Jour. Ind. Soc. Remote Sensing, 27(4) :253-267.

SURESH BABU, D.S. & MOHAN DAS, P.N.(1999).

Mineralo-chemical assessment of ilmenites from the three Indian placers.

Trans. Indian Inst. Metallurgy, 52 : 73-79.

SURESH BABU, D.S. ; AJITH, G.N. & DAMODARAN, K.T. (2000).

A Geochemical evaluation on the heterogeneity of ilmenite sands from the south Kerala. "A Hand Book of Placer Mineral Deposits"(Ed. G.V. Rajamanickam) : 216-223.

SURESH BABU, D.S. ; NANDAKUMAR, V. ; BJU JOHN ; JAYAPRASAD, B.K. & PRAMOD, S.V.(2000).

Siltation analysis in the Neyyar reservoir and forest degradation in its catchment: A study from Kerala state., India.

Environmental Geology, 39(3-4) : 390-397.

SURESH BABU, D.S. ; NANDAKUMAR, V. & PADMALAL, D. (2000).

Analysis of land, soil and water in the Neyyar WLS.

Proceedings of the XII Kerala Science Congress (Ed.M.R. Das),STEC, Thiruvananthapuram : 57-62.

SWAIN, H.N. & BABA, M.(1992).

Parametric wave prediction model based on time delay concept – an evaluation.

Proceedings of Indian Academic Science, 101 :215-226.

SYAMAL,G.S. & VIJAYAKUMAR,K.(1999).

Study on the energy consumption pattern of midland region: A case of Vellanad Panchayat.

Proceedings of XI Kerala Science Congress, Kasaragod : 433-436.

SYAMAL,G.S. ; SIDHARDHAN, S. & SUCHINDAN, G.K.(2000).

Tourist Host relationship at Munnar and Kumarakom.

Proceedings of the XII Kerala Science Congress (Ed.M.R. Das),STEC, Thiruvananthapuram :621-624.

TALWANI, P. & KUSALA RAJENDRAN.(1991).

Some seismological and Geometric aspects of intra plate earth quakes.

Tectonophysics , 186 : 19-41.

TALWANI, P.& KUSALA RAJENDRAN(1991).

The January 4,1990 earth quake in Bluffton, South Carolina, and its tectonic implications.

Seismology Research Letters, 62 : 139-142.

TAYLOR,P.N; CHADWICK,B; FRIEND,C.R.L; RAMAKRISHNAN, M; MOORBATH, B & VISWANATHA, M.N(1988). *

New age data on the geological evolution of southern India.

Crust of South India : 155-157.

TERRY MACHADO & BABA, M.(1984).

Movement of beach sand in Vizhinjam, west coast of India.

Indian Journal of Marine Science,13 : 144-146.

TERRY MACHADO & VASUDEVAN, V.(1984).

A spatial bathymetric variation over the inner shelf off Trivandrum, Kerala.

Mahasagar, Bulletin- N.I.O,17 (1): 55 – 58.

TERRY MACHADO(1985).

Anatomy of monsoonal erosion of mixed coastal environment. Collected papers.

Sem. On Earth Resources for Goa's development.

Geological Survey of India, Hyderabad : 571-579.

TERRY MACHADO & SUCHINDAN, G.K.(1986)

Distribution of trace metal concentration in near shore sediments around an industrial waste outlet near Trivandrum, Kerala.

JL Geological Society of India.Memoir 5 : 201 – 212.

THAMPI, P.K. ; NAIR, P.K.R. & BALASUBRAMONIAN, G.(1993).

Petrochemistry and tectonic evolution of Munnar Granite, Idukki district,Kerala.

Current Science, 64 :238-243.

THAMPI, P.K. ; JOHN MATHAI & SANKAR, G.(1994).

Landslides(Urul Pottal) in Western Ghats: some field observations.

Proceedings of VII Kerala Science Congress : 97-99.

THAMPI, P.K. ; JOHN MATHAI ; SANKAR, G. & SIDHARTHAN, S. (1998).

Debris flows in Western Ghats, a regional evaluation.

Proceedings of X Kerala Science Congress, Kozhikode : 73-75.

THAMPI, P. K. ; SANKAR, G. ; JOHN MATHAI ; SIDHARTHAN, S. & DINAKAR, V.S.(1998).

Contour bunding on high slopes of Western Ghats a catalyst to landslides

Proceedings of X Kerala Science Congress, Kozhikode : 78-80.

THOMAS, K.V. & BABA, M.(1983).

Wave climate off Valiathura, Trivandrum.

Mahasagar , 16 : 415-421.

THOMAS, K.V. & BABA, M.(1986).

Berm development on a monsoon influenced microtidal beach.

Sedimentology, 33: 537 – 546.

- THOMAS, K.V. ; BABA, M. & HARISH, C.N.(1986).**
Wave groupiness in long-traveled swell.
JL. Waterways, Port, Coastal & Ocean Engineering, 112 (4): 498 – 511.
